¹I The ICC Termination Act of 1995, Pub. L. No. 104-88, 109 Stat. 803 (ICCTA), which was enacted on December 29, 1995, and took effect on January 1, 1996, abolished the Interstate Commerce Commission (ICC) and transferred certain functions and proceedings to the Surface Transportation Board (Board). Section 204(b) (1) of the ICCTA provides, in general, that proceedings pending before the ICC on the effective date of that legislation shall be decided under the law in effect prior to January 1, 1996, insofar as they involve functions retained by the ICCTA. This decision relates to a proceeding that was pending with the ICC prior to January 1, 1996, and to functions that are subject to Board jurisdiction pursuant to 49 U.S.C. 10701. Therefore, this decision applies the law in effect prior to the ICCTA, and citations are to the former sections of the statute, unless otherwise indicated.

z Twenty-five other railroads are defendants in this proceeding. The Atchison, Topeka and Santa Fe Railway Company/Burlington Northern Railroad Company has already been dismissed as a defendant.
